

Job Title: Sweeper/Cleaner
--

Position Summary: The Sweeper/Cleaner is responsible for maintaining a clean, safe, and orderly work environment throughout the facilities. This position performs routine cleaning and housekeeping duties in manufacturing, warehouse, office, and common areas to support efficient operations and workplace safety. This is a Part Time position.

Essential Duties and Responsibilities

- Sweep and clean floors throughout the facilities
- Empty trash and recycling containers
- May clean restrooms, break rooms, and common areas
- Dust and wipe down work surfaces, shelves, and equipment
- Remove debris and maintain cleanliness in production areas
- Operate basic cleaning equipment and tools safely
- Replenish restroom and cleaning supplies as needed
- Assist with general housekeeping and organization projects
- Follow company safety procedures and housekeeping standards
- Report maintenance or safety concerns to supervisor

Qualifications

- Ability to follow instructions and work independently
- Dependable attendance and punctuality
- Ability to perform physical work including walking, bending, lifting, and standing for extended periods
- Ability to safely use cleaning products and equipment
- Prior cleaning or janitorial experience preferred but not required

Physical Requirements

- Frequent standing and walking
- Ability to lift 25–50 pounds occasionally
- Repetitive bending, reaching, and sweeping motions

Work Environment

This position works primarily in a manufacturing and warehouse environment where exposure to dust, noise, and varying temperatures may occur.
